

GENIUM is a company dedicated to the idea of updating and maximizing human potential. We use the latest methods, concepts and techniques and a multidisciplinary approach. We have only satisfied customers, thanks to professionals who are part of a team dedicated to performance – we are characterized by our passion, enthusiasm, experience and continuous improvement. Our key concept is that of a "boutique de creativite", a place where *each experience is unique* and every product is specifically designed for each client!
